Dear Sharon High,

Congratulations on another great year! Between studying hard for exams, goofing off at pep rallies, and putting time into after school extracurriculars, this school year flew by!

We felt so fortunate to have been able to work on the 2009-2010 Marsengold yearbook. Everyone on the staff put in so much time and effort to capture the best moments of the school year for everyone to remember. We hope you love it!

Student Life

Good school vibe, Eagle block and more....

Sharon High School excels academically as well as athletically because of the great cooperation between students and teachers. The environment at SHS is exceedingly friendly, whether it's between upperclassmen and underclassmen, students and faculty, or within individual grades. Everyone gets along and is willing to help out in anyway they can. The positive atmosphere that surrounds SHS continues as class planning boards and Student Council plan exciting activities. This year, for the first time ever, a Halloween pep rally took place. It was a great way for students to show off their creativity and celebrate. Besides a great selection of shows, students also enjoyed Eagle Block. These new 37 minute blocks of time reduced some stress for many students, while it provided some time to listen to music and/or complete homework. It also allowed band and chorus students to take up another class, letting them spread their interests. Overall, the 2009-2010 school year has been very beneficial as it provided many positive additions.

"These 37 minute blocks of time (Eagle block)... reduced some of the stress for many students."

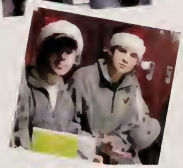
Pie in the Sky... *Another part of student life is doing some form of community service. Several students were involved in fund raising, selling pies to raise money for local food banks.*

Here's what's Happenin'...

Snapshots of events that happened throughout the year at SHS

Jacqueline Milowe, Kaitlyn Moran, Sabrina Kozikis and Rachel Yahalom are all matching in their purple t-shirts that they wore during Homecoming for their fundraiser "Cradles for Crayons."

Rachel Judson, Nicole Cimon, Eric Bloom, Will Modelevsky, and Jeremy Reich are all enjoying a typical day at SHS.



A major goal of the yearbook staff this year was to feature as many different faces as we possibly could. We wanted everyone to have their photo-op. We tried to picture a variety of students at all different venues, and to capture them showing their school spirit at Pep rallies, at games and sporting events, or while strutting their stuff and busting new moves at the dances.

WOW!
Most talent ever!

Homecoming 2009 was kicked off with an extremely entertaining and spirited pep-rally, which got all grades engaged with a school wide tug-of-war competition. The Eagle and the cheerleaders got everybody excited for the following day, which consisted of a carnival and a football game. Despite the postponement due to bad weather, everybody had a blast at the carnival- cupcakes seemed to be the theme this year as they were everywhere you turned! Students, parents, and teachers all showed up to support SHS. After the carnival, fans came to cheer on the football team as they put up a good fight against Stoughton. Homecoming was definitely a success, involving the whole community, and everybody had fun!

Everything gets better when the lights go down, especially for the sophomores in late march,2009. As couples entered the cafeteria, they stepped into a magical glow-in-the-dark celebration. Everyone was immediately on their feet, dancing in their glimmering dresses and matching suits. many memories of hours of laughter, dancing, and loads of fun, were made that night. the students of 2011 had no problem lighting up the dance floor and dancing the night away.

"Semi will always be a glowing memory of my high school years."

junior prom

a night to remember

"Smile!" could be heard from all around as SHS juniors and their dates posed for pictures, adjusted dresses, fiddled with ties, and pinned on bootaneers. The night of the Junior Prom 2009 began with much excitement due to all of the anticipation! The event, held at Blue Hill Country Club, turned out to be a blast for everyone as they danced with friends all night. Prom was a remarkable way for the Class of 2010 to bond after a long, stressful junior year. It was a great night filled with memories for all to remember!

Senior Class Barbeque

To kick off the school year and increase class spirit, the seniors held a class barbeque. It was a great way to start their last year at SHS. There was a ton of food, and fun ensued all around. They all got a class shirt, which was a big hit with everyone. The barbeque was held behind the school, and the seniors were able to hang out, enjoy the food and music, and have a lot fun with each other as a class.

Class of 2010

SHARON HIGH SCHOOL LIBRARY
181 POND STREET
SHARON, MA 02067

With spirit and dedication, the Class of 2010 has finally made it to the end. Freshman year doesn't seem all that long ago, but look where we are now! We're seniors! Where did those four years go? We have so much to look back on. Each one of us has formed memories of teachers, different classes and classmates, and also formed friendships that will last a lifetime.

Our coveted extended lunches, senior week, and graduation are all things that the Class of 2010 looked forward to since freshman year. Time flies when you're having fun. Good luck everyone, in the next step on your journey in life!

"**Freshman year** ... doesn't seem all that long ago, but look where we are now!"

"Even though it was cold and no one actually watched the sunrise, it was still nice to come together as an entire senior class." - Celine Hu

Senior Sunrise

While trying to keep warm on the bitter cold Friday morning of senior sunrise, the seniors chatted with one another and ate breakfast together. It brought everyone closer as a class for one of the last "senior" times together.

Sharing a warm blanket, Gina Christiano and Camille Henry laugh over bagels and cream cheese, even before the sun has risen.

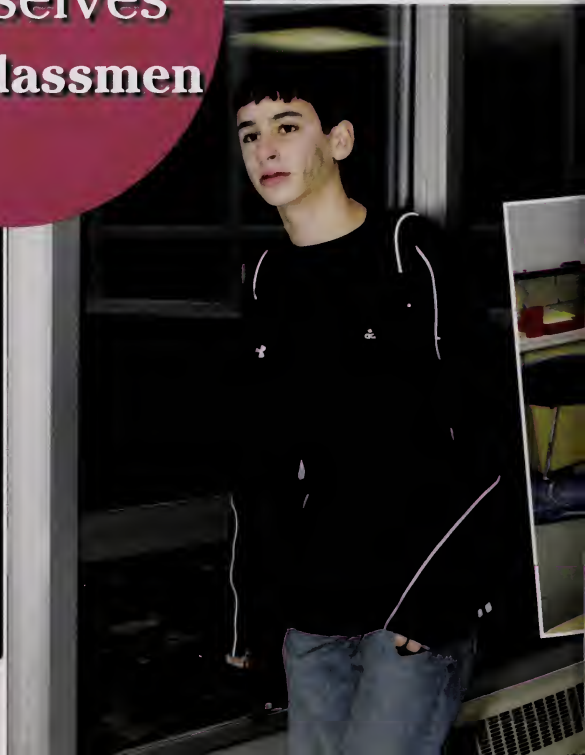
Underclassmen



Underclassmen

Who says that seniors have all the fun?

Whether in freshman, sophomore, or junior year, Sharon High School's diverse population of underclassmen make up the bulk of its students and add flare to the life of Sharon High. Although SHS will be sad to see the seniors go, it's underclassmen are sure to keep the school's sport, club, and theatre departments flourishing as well as ensure that SHS continues to maintain the friendly, comfortable environment that everyone loves. No matter what accomplishments they have made this year, whether it be finally mastering the tricky block schedule, finally fuffiing gym and issues requirements, or rejoicing that stressful S.A.T's are finally over for good, every grade has something to celebrate as the 2009-2010 school year comes to a close. We may not be seniors, but that doesn't mean we can't kick back and enjoy not only the arrival of summer but the promising futures ahead of us at SHS!

"Underclassmen out number the seniors .. and everyone experienced some form of accomplishment that they could celebrate in the 2009-10 school year."

Sports

Go team go!!!

Watch out! Sharon High sports kicked it up a notch this year. From football and baseball, to volleyball and gymnastics, the boys and girls have shown their determination and dedication, as well as spirit and enthusiasm! The bleachers have been known to be packed with screaming fans, decked out in maroon and gold. The support shown by classmates encouraged players to play hard and to do their very best. Captains passed on their legacies and inside jokes to players, and the teams continued to strive for improvement and success!

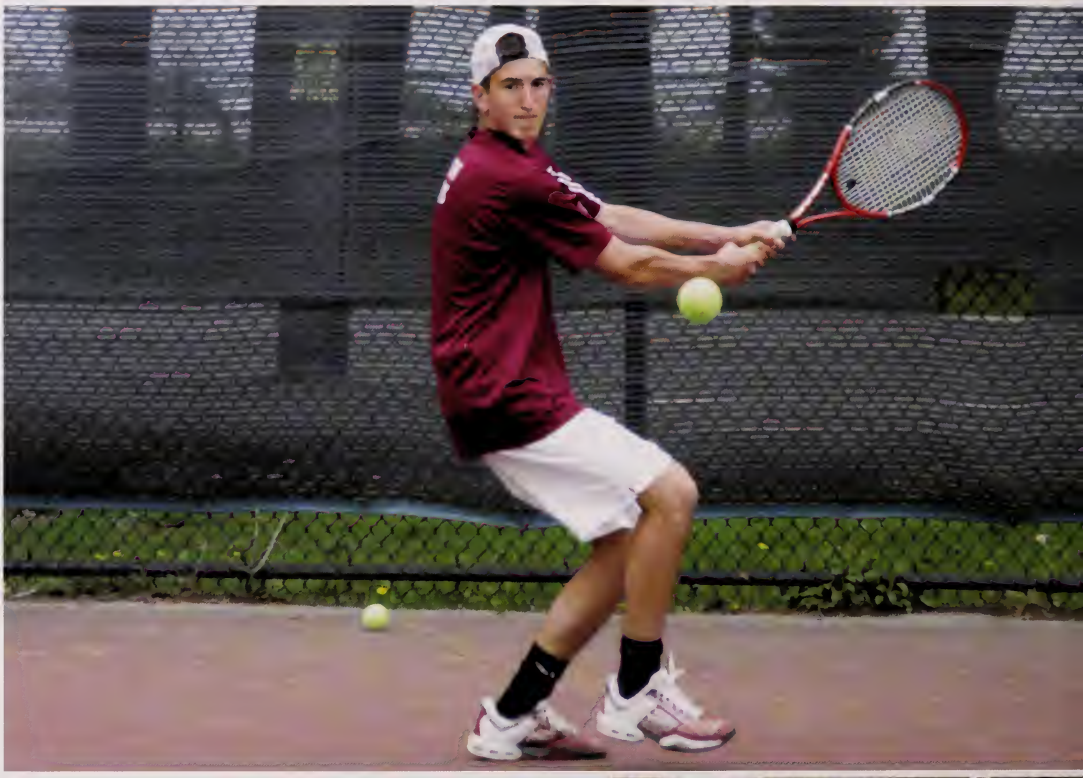
Boys' Lacrosse *has become a an integral part of SHS sports. And the program gets stronger every year!*

Eagle Tennis Still Soars



And The Talent Continues

The Boys' Tennis Team was one of the strongest teams in the state. With a Hock record of 15-1, they were going to be strong contenders in the state tournament, The boys matched their tournament run from the past year and finished with a record of 2-1 in the post season.

The second half of the season held a team highlight, a win against King Philip! This was a big win after having lost to them in the first half of the season. The win was due to the fact that every player had come back stronger than before.

Girls' Tennis

Motivated, devoted, and passionate are three words that describe the Girls Tennis Team. These girls are enthusiastic about the sport of tennis and can be seen lugging their rackets through the halls of SHS, and on the tennis courts where they practice endlessly. Their hard work and success at home brought the team to the Hockomock Championships!

Always On The Move

Spring Track

This year's season was filled with its ups and its downs, consisting of sprained ankles and shin splints, yet we still had some victorious meets despite the fact. No matter what, the Track Team remained to be a closely-knit family. All the runners had improved in their times significantly, through rigorous workouts and always striving to get even better. The highlight of the boys' season was coming in fourth all around at the Hockomock League Championships. But the girls' team did better at the individual dual meets.

Running on the Track Team is not just about being the number one runner. It is the determination, endurance, and heart put into the sport that really is at the core of each individual runner. And Ali Kirsch sums it all up for the team, "Track is ballin'!"

Making Contact

Despite being rather young and inexperienced, the Baseball Team was able to overcome adversity in order to persevere through a number of challenging games and remain strong throughout the duration of the season. They lost twelve seniors from the previous year which cast some doubt on how the 2009 season would go. After getting off to a rocky start playing against against Randolph, Dave Khrakovsky said that "Our hopes for the season were revived." Adding to that was the help of transfer student, catcher Puliafico, and the increased moral of the juniors. The Team lived up to their aspirations, winning eight games and finishing a fairly successful year. Regardless of their initial struggles, they reminisce about some of the team's outstanding successes; an exciting inning win in the last game versus Holliston. That finished off the year on a very positive note. [It was a 'revival' year," said Dave Khrakovsky in regards to the season over all. Following last year's progress, the Baseball Team eagerly looks forward to excelling next season.

Eye On The Ball

Girls' Softball

This season the Softball Team showed amazing effort and dedication. This was their best season ever, defeating their rivals Franklin and Stoughton for the first time in many years. Unfortunately, the girls did not make it to the tournament, but they had a lot of fun and bonded together during the season.

Boys' Lacrosse

The Spring 2009 season was filled with fast-paced exhilarating action. The boys all came together to support one another to create an awesome team. They mastered precise movements to enable them to have a great year. The Lacrosse Team had their work cut out for them when they came up against challenging teams, but the group managed to take whatever the Hockomock League threw at them. The boys stayed strong through their brutal practices, but even through injuries and pain, their hard work shined through as evidenced by another great season.

Chicks With Sticks

Girls' Lacrosse

Although their record was not a testimony to the girls' efforts this season, this team worked extremely hard to improve their game throughout the course of the Spring. The competition in the Hockomock League was fierce, but the team did not let this break their stride. By the end of the season, which was filled with tough practices and even tougher games, the team came away with many close games and ties against teams that clearly were not expecting such competition from SHS. They came together to form a united effort both on and off the field. The skills they learned and the techniques they practiced will serve them well for next year, when the team plans to be an indomitable force in the Hock!

Away Like The Wind

SHS Sailing

Like many other Sharon sports teams, sailing had a spectacular season. The Sailing Team had shacked numerous awards; including first in the A Division, first in the MBL (Massachusetts Bay League), runner-up at the MBL championships, and last but not least fifth at States. The team continued to hold their own against top teams in the region. The Sailing Team was one of the most unified teams. They worked together constantly, regardless of their skills, and their level of devotion will leave a lasting legacy.

Giving It All They've Got

Boys' Soccer

"This season did not live up to the expectations that we had for ourselves based on SHS' soccer teams of the recent past. However, we did improve as a team as the season progressed. We did lose a lot of talent from last year to this year, but we cannot blame our final standing at the lower tier of the Hockomock League on what we didn't have.

Yes, our record left something to be desired, but by the final two games of the season, both of which we won by a score of 2-0, we were consistently moving the ball around and playing aggressively. As a veteran member of the soccer team and a co-captain I can honestly say that this season was something I learned from. Overcoming adversity is a challenge no matter what you are doing, and I'll never forget this season."

Reaching Goals

Girls' Soccer

In more ways than one, several goals were met this season by the Girls' Soccer Team. The team's impressive 7-10-1 record proves how hard each member worked. Every player contributed something to the team, resulting in wins against Stoughton, King Phillip, Taunton, and North Attleboro. The captains, Liz Daley, Erica Beach, and Briana Eaton, played their best and encouraged the whole team to do so as well. The team's confidence, dedication, and perseverance, as well as the outstanding teamwork from each player, contributed to their major success this season. The girls played hard, and this inspiring season will definitely be a lasting memory for each team member.

"As a freshman, being the only girl on the team was a little tough, but this year, as a sophomore, I'd have to say it's a lot more fun for me."

Going Fore It

Head in the Game

FORE! Flying stray golf balls are not the only thing high school golf teams had to watch out for this season. Boasting a 10-6 record as proof, the Sharon High School Golf Team swung their way to success while both improving last year's 6-10 record and even making it to the state playoffs for the first time in three years. The Golf Team's secret to success can be found in their continual motivation of one another, in their strong, comfortable team relationships, and in the handful of skilled new players, whose young talent is sure to win the team many future victories. The team consists of fifteen players from all grades, and, in addition, they have one female player who just happens to be an "ace in the hole." Way to go, or rather, way to golf!

Cross Country

Running is like a religion and its most loyal worshipers can be found on Sharon High School's Cross Country Team. The team is a very close knit group of runners. Their toughest critics are each other, and they are constantly pushing one other harder all the time. This has been their best season yet! That is because several of the team members have participated in more sports clinics. Training has been extremely intense this year and the team members are ultimately more determined.

Sticking Together

Field Hockey

Although the Field Hockey Team did not have an outstanding record this season, the players put up many good fights and strong efforts. Throughout the season, the girls became very close and showed their team spirit by having team dinners, dressing up in crazy outfits on game days, and cheering their teammates along from the sidelines. The intensity was stepped up from last year, and everybody's skills improved immensely. "We shocked our opponents with our skill and gave every team a competitive game" commented senior captain Samantha Rosenbllum. Although the record may not have proved it, this team was definitely a force in the Hockomock League!

Striving For Success

Football

Success was definitely achieved this season by the strong and devoted 2009 Sharon Football Team. After three consecutive seasons with no wins, the Eagles fought hard and proved themselves this year by winning not one, but two games. Playing hard against other top teams including Foxborough and Canton, resulted in close, high scoring games. With long practices and routine lifting, this years team has worked extremely hard and has given a new reputation to Sharon's Football Team. If continued, this hard work and devotion can only result in good things to come for the future of SHS football.

Driving For A Win

Boys' Basketball

"Taking it to the hoop" is just what the 2009-2010 boys basketball team did this season. The boys worked hard with the leadership of captains Alex Abboud and Andrew Gruber. They won games against some of their toughest opponents Canton and King Phillip. Both the defense and offense improved greatly this year, making this a memorable season. One goal of the team this season was to create more team spirit. They achieved that goal, and in the process, that spirit helped to motivate them in order to be successful. With that kind of drive, in conjunction with guidance from both coaches and captains, the team never gave less than their all.

Girls' Basketball

With hard work from each player and undying support from Sharon High fans, the Girl's Basketball Team flew to success this season. The dedicated leadership of the senior captains Liz Daley, Ariel Somers, and Allison Vitkauskas was beneficial to the teams' many victories. There were several highlights of the season, including beating rival team Franklin and reaching an unbelievable record of 11-6. Each girl tried hard to give her all, and in doing so, the team achieved its greatest feat of making it to the tournament for the fourth straight year. "It was an amazing season," said Aly Handler, "and we will never forget the teamwork and commitment that went into each game."

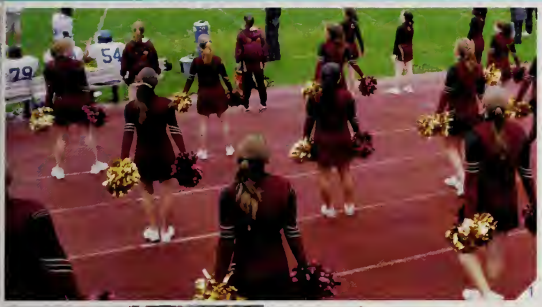
Cheerleaders Kick It Up!



They've Got Spirit!

The Sharon High School Cheerleaders did a great job of supporting the football team. Though many games were not won, the girls kept their heads high and continued to work hard. This sport not only requires dedication, but also a ton of talent- something these girls did not lack in the least. Whether it was stunting in the rain, or yelling their loudest, the energy level never lacked. This is the first season, after many, that the cheerleaders will be participating in a competition. Despite various injuries, and hard practices this team was able to able to pull through with flying colors.

Running Despite the Cold

Winter Track & Field

The Winter Track season was filled with many personal records and new team members. The underclassmen stepped up to the plate, undertaking varsity roles right away. Facing a smaller team, everyone had to push themselves harder and get to know each other's strengths. Captain Ross Keith said, "This year was a rebuilding year; we lost some great team members last year, but the team showed that it had a bright future." Captain Camille Henry felt that the team on the whole, "...got better and more determined further into the season." This season clearly showed that constant determination is the key to success.

Gymnastics

For the second consecutive year, the Girls' Gymnastics Team had yet another successful season. Due to the leadership of captains Jess Armstrong and Jen Schiff, along with outstanding contributions from the freshmen, the team was able to place 8th in the South Sectionals. The fans' support at the home meets motivated the gymnasts to do their best on the beam, bars, vault, and floor. The team went through some exciting changes this year, including getting a new coach and a few more male members on the roster. With these new additions, along with the great leadership passed down by the captains, the teams' hope was to be unstoppable in future seasons!

The Wrestling Team is dedicated, hardworking and motivated. These boys are extremely committed to their sport and endure grueling practices everyday after school that last for hours. Teamwork plays a great role for this team, for they constantly encourage each other and bring out the best in each other. As a whole, the team felt that they had a successful season. Swimmers worked hard and were able to improve their times. Unfortunately, as they improved, so did many of their competitors. However, it still was a successful season. The team finished with a record they could be proud of and with many great memories.

Clubs & Activities

Who knew staying after could be so fun?

When the bell rings at 1:59, instead of going home right after school, many students partake in various clubs and activities. SHS does offer some standards, like Student Council and yearbook, but there are some more diverse clubs such as Bollywood Dance or Interact Club as well. These new and exciting clubs are the result of the different interests of students, and their willingness to make their ideas a reality!

So from Ping Pong to Amnesty International, and Photography to Computer Science Club, there's something for everyone's taste. Joining a club is a great way to get involved in the school, meet new people, and learn something in the process.

"I like participating in clubs because... I feel really involved and it gives me something to do after school."

Once On This Island

"After spending four years doing theatre at Sharon High, **Once on This Island** was my favorite musical because of the involvement of the Ensemble. After the show, many people came up to me and said that they always saw people doing something, and how impressed they were that we fit over 80 kids on the stage at once. It's such a great feeling to know that everyone who was involved got their continuous spotlight."

The Best
Faculty and Staff
A MUST READ!!!

Every high school has their own faculty and staff members, but how do they measure up to those at Sharon High School? Well, survey has it that SHS has some of the best! Not only are they great at what they do around here, be it teacher, office staff, custodian or lunch aide, many are also great club advisers, mentors, athletes, comedians, musicians and-oh yes... very fashion conscious! Who knew? Well, just look around.
We have such diversity on staff here, and that is what makes our school so COOL!

(opposite top left) **Who is the coolest faculty member you might ask???...** It was a difficult decision for some, but the majority felt that Dr. Cho wins hands down...or should we say by a "fist bump!"

Wait... are those the Three Musketeers? *No, they are none other than our very own Ms. Gassman, Ms. Joliceur and Ms. Trahan enjoying each other's company during the Homecoming carnival. It is always nice to see faculty showing their support outside of school.*

Mr. Stephen Banno

The Man

Mr. Banno is basically the man. His lovely sweater vests, bitter sarcasm, impeccable impersonations, intense trivial pursuit matches, hilarious sayings (WOAH!), highly anticipated songs of the day, and his deadly football spiral are just some of the many reasons why we love him. More importantly, he is an incredible teacher who encourages debate and discussion, connects our world and lives today to events in the past, and pushes his students to work hard and truly think about what they are learning. In addition to teaching US History, Mr. Banno has rejuvenated the "Love Course" at SHS and encouraged the students to spread happiness and love by performing random acts of kindness, better known as RAK. He has inspired many of his students to take a deeper look at our history and our world as a whole, and he is one of the most admired teachers in our school.
To put it bluntly, Mr. Banno rocks.
"That's all I'm saying."

In Memory of Yafei Hu 胡亚非

Beloved Chinese teacher

This page is dedicated to Yafei Hu, Chinese teacher, mentor and friend. She was an incredible teacher who was loved by all. Her students often described her as second mother. (What a special tribute and sentiment to have for a teacher.) Ms. Hu was known for her wise advice, love of teaching, and her great sense of humor.

Having overcome several obstacles throughout her life, her indomitable spirit will always prevail. Her inevitable passing is mourned by all of her students and those who knew her.

Our deepest sympathies go out to her family and friends. We will always love and remember you, Hu Lao Shi.

- FOREIGN POLICY
- SOCIAL ISSUE

JANUARY

22 — Signed order to close Guantanamo Bay facility

29 — Signed into law the Lilly Ledbetter Act, which helps guarantee equal pay across gender lines

FEBRUARY

17 — Signed the $787 billion American Recovery and Reinvestment Act into law

27 — Announced that the United States will pull troops out of Iraq completely by 2011

MARCH

4 — Launched the foreclosure prevention program, a $75 billion loan modification and refinancing plan

27 — Announced plan to send more troops to Afghanistan

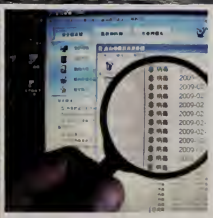
APRIL

1 — Attended G-20 Summit in London

1ST100DAYS

ONCE INAUGURATED, President Barack Obama got down to business, signing executive orders banning harsh interrogation techniques of suspected terrorists on his second day in office. The ban was Obama's first step toward closing the prisons at Guantanamo Bay. **ONE WEEK LATER**, the president signed a labor act guaranteeing equal pay for all workers. Regarding the act, Obama explained that he saw the inequality as a family issue, not just a women's issue. **ATTENTION TO THE ECONOMY** brought the $787 billion economic stimulus package in the form of February's American Recovery and Reinvestment Act, controversial legislation which the administration claimed sparked growth as early as the third quarter. **A TOTAL TROOP WITHDRAWAL** from Iraq by the end of 2011 was announced on February 27, and just a month later Obama announced a renewed commitment to Afghanistan and plans to send an additional 21,000 new troops there. **LONDON'S G-20 SUMMIT** allowed leaders from nations worldwide, as well as regional groups and international institutions, to strategize ways to revive the global economy and stimulate growth.

SOMALI PIRATES hijacked an American ship in the Indian Ocean off the Horn of Africa and took Captain Richard Phillips hostage in April. The ship, the Maersk Alabama, was carrying food and other aid supplies for the World Food Program. The five-day ordeal ended when U.S. Navy SEAL snipers killed three pirates, freeing Phillips. **BEA ARTHUR**, two-time Emmy award winner, died of cancer at 86. Probably best known for her *Golden Girls* character Dorothy Zbornak, Arthur began her acting career on Broadway, winning a Tony in the original stage production of *Mame*. **A 50 TO 1 LONGSHOT** won the 135th Kentucky Derby. Jockey Calvin Borel and Mine That Bird came from behind on a muddy track to win the race by nearly seven lengths. **VOCALIST SUSAN BOYLE** became an overnight sensation on *Britain's Got Talent*. Her performance quickly became one of the most watched videos on YouTube. Despite a second-place finish in the competition, Boyle's first album, *I Dreamed a Dream*, became the biggest-selling album in the world for 2009 in just six weeks. **NORTH CAROLINA'S TARHEELS** beat Michigan State 89-72 in the men's Final Four, avenging a title game loss to Kansas the previous season. With the help of upperclassmen Tyler Hansbrough, Wayne Ellington, Ty Lawson and Danny Green, all of whom opted to return for another year with coach Roy Williams rather than heading to the NBA, the Tarheels cruised to their fifth national title and their second in five years. A unanimous pre-season No. 1, the team was UNC's first since 1982 to start and finish the year in the nation's top spot. **CONFICKER WORM**, a computer virus that targeted the Microsoft Windows operating system, was estimated to have infected more than 15 million computers. It was believed to be the worst computer virus since the SQL slammer worm in 2003. In February 2009, Microsoft offered a $250,000 reward for help with finding and arresting the people who created the computer worm.



31 Nearly 40 unemployed New Yorkers took part in the Unemployment Olympics, a day of fun and games in Manhattan's East Village planned by a recently laid-off computer software worker.

7 The Connecticut women's basketball team won its sixth national title, defeating Louisville 76-54 in a St. Louis Final Four tagged "March to the Arch."

12 Argentinian golfer Angel Cabrera won the Masters at 12 under par after a three-way playoff against Americans Chad Campbell and Kenny Perry.

23 Apple's iTunes App Store knew in advance that some lucky buyer would download the company's one billionth app on this date and they offered prizes galore.

2 Citing the desire to spend more time with her family and no interest in running for re-election, Alaska Governor Sarah Palin stepped down, transferring power to Lt. Governor Sean Parnell.

5 Roger Federer broke Pete Sampras' 14 Grand-Slam record, beating American Andy Roddick to win the men's title at Wimbledon for the sixth time.

21 Shweeb, the world's first human-powered monorail, attracted attention in New Zealand. Pedalled like a recumbent bike, the system created zero emissions.

22 The longest total solar eclipse of the 21st century was visible off the coast of Southeast Asia for six hours and 39 minutes. It'll be 2132 before that happens again.

BERNIE MADOFF was sentenced to 150 years in prison for the multibillion-dollar Ponzi scheme he perpetrated as a wealth management advisor. He pleaded guilty to 11 felonies, including securities fraud, money laundering, perjury, making false filings with the SEC and theft from an employee benefit plan. In addition to his imprisonment, the former chair of the NASDAQ stock market was ordered to forfeit $170 billion. **U.S. WITHDRAWAL FROM IRAQ** was celebrated as a national holiday when Prime Minister Nouri al-Maliki declared June 30 "National Sovereignty Day." In accordance with agreements with Iraq, American troops completed their withdrawal from Iraqi cities and transferred the responsibility of securing the cities to Iraqi troops. **IRANIAN ELECTION PROTESTS** lasted months and resulted in at least 36 confirmed deaths after it was announced that President Mahmoud Ahmadinejad had won re-election with nearly 63% of the vote. Results were later certified and Ahmadinejad was sworn in for a second term in office on August 5. **SERENA WILLIAMS** beat her sister, Venus, in the final match at Wimbledon to win her third Grand Slam victory of the year. Then the sisters paired to beat Aussies Samanatha Stosur and Rennae Stubbs, winning the doubles title the same day. **HULU**, a free app that allowed viewers to watch television shows on the web, gained traction. Some studies showed as many as 45% of all teens watched "TV" on the internet. **AL FRANKEN**, a former Saturday Night Live comedian and satirist, finally won his seat in the Senate after the Minnesota Supreme Court rejected incumbent Norm Coleman's myriad challenges. The final recount gave Franken the victory by 312 votes. **NBA CHAMPION L.A. LAKERS** won their 15th title on June 14, defeating the Orlando Magic 99-86 to clinch the title in just five games. Lakers star Kobe Bryant was named M.V.P. after scoring 30 points in the final game and 162 in the series.

U.S. JOURNALISTS FREED following nearly five months of detainment in North Korea were escorted home by former president Bill Clinton after he met with North Korean Dictator Kim Jong Il. Laura Ling and Euna Lee, reporters for Current TV, a media venture owned by Al Gore, had been charged with entering the country illegally to conduct a smear campaign. **KILLER WHALE RESEARCH** identified new behavior in large groups of orcas. A Journal of Ethology report cited groups of whales gathering in British Columbia, Alaska, Iceland and Antarctica to form "clubs." While whales often live in pods of 10-20, scientists say the newly observed clubs of as many as 100 seem to allow the whales to form and maintain social ties. **SENATOR TED KENNEDY** of Massachusetts, the last surviving Kennedy brother, died at age 77 after battling brain cancer. In his 46 years as a senator, Kennedy championed labor, health care, civil rights, education and voting rights. President Barack Obama delivered the eulogy at Kennedy's August 29 funeral in Boston. In addition to the family, Vice President Joe Biden, Secretary of State Hillary Clinton, former Presidents Bill Clinton, George W. Bush and Jimmy Carter, and First Lady Michelle Obama also attended. Kennedy was buried at Arlington National Cemetery next to his brothers, President John F. Kennedy and Senator Robert F. Kennedy. **A WEB ATTACK** targeted at a specific pro-Georgian blogger incapacitated Twitter for two hours on August 6. Twitter and other social networks like Facebook and LiveJournal were overwhelmed by denial-of-service attacks disrupting access to more than 300 million users. Botnets – thousands of infected home and workplace PCs – flooded the web with nuisance requests, cutting off access to anyone else. Twitter, the micro-blogging site where users post 140-character messages to their followers – soared in popularity in 2009. According to comScore, a Web tracking firm, the site had 44 million unique visitors in the month of June. **SUPREME COURT JUSTICE** Sonia Sotomayor was confirmed by the Senate as Associate Justice of the U.S. Supreme Court, replacing David Souter who retired in June. Sotomayor, who rose from the housing projects of the Bronx to the top of the legal profession by way of Princeton and Yale Law, made history as the nation's third female and first Hispanic Supreme Court justice.

FLUSHOTS

FLU SHOT CLINICS were set up in workplaces and schools from coast to coast as the government and the CDC suggested that as many people as possible be vaccinated against the H1N1 virus that led to hundreds of school closings in the spring of 2009. **AN EARLY START** to the flu season meant victims were affected in higher numbers and more extremely than usual, and that the flu's peak activity came in late October and early November rather than March. Until the vaccine arrived, anyone with H1N1's potential respiratory symptoms was encouraged to stay home rather than infecting classmates or co-workers. **IN OCTOBER**, the vaccine began arriving in both injected and nasal spray forms. Within four months, 97 million H1N1 vaccine doses had been given to 86 million people in the United States. **TRULY PANDEMIC**, the H1N1 influenza infected approximately 57 million Americans or slightly more than 18 percent of the population between April 2009 and February 2010. About 11,690 people died and nearly 260,000 were hospitalized from the viral infection, which was also known as swine flu. **THE THREAT** of an additional outbreak loomed as the annual flu season waned.

JOB MARKET DETERIORATION continued, despite some tentative indications that the economy was improving. The federal unemployment rate peaked at 10.1% in October, but the economy continued to shed jobs at the rate of more than 263,000 a month. Data showed a loss of 8.4 million jobs since the recession's start in December 2007. **THE UNDER-EMPLOYMENT RATE** of workers whose hours had been cut or who were working part-time for lack of full-time positions hit 17% – the highest since they began tracking the category in 1994. **FORECLOSURE FILINGS** in the third quarter hit a record high. Despite government-led and lender-supported relief efforts, nearly a million U.S. homes – 1 in every 136 nationwide – were in foreclosure by October. **FEDERAL RESERVE CHAIRMAN** Ben Bernanke announced September 15 that the recession had "very likely ended" while warning that it may not quickly affect the unemployment rate.

MTV'S 2009 VIDEO MUSIC AWARDS were going to be different from the start. In addition to recognizing current work, anticipation of a Michael Jackson tribute ran high. Instead, Kanye West literally stole the show, grabbing the mic during 20-year-old country/pop star Taylor Swift's Best Female Video acceptance speech for a quick rant about Beyonce Knowles being more deserving. Swift went on to win the Grammy for Album of the Year for her second album, *Fearless*. **ACTOR PATRICK SWAYZE** died at age 57, after suffering from pancreatic cancer for nearly two years. Of his more than 30 movies, he was best-known for his roles as romantic leading men in the films *Dirty Dancing* and *Ghost*. **A GIANT MYLAR BALLOON** took off from a family's yard in northern Colorado, and nationwide panic erupted when it was reported that the six-year-old son might be aboard the 20-foot-long, saucer-shaped helium flyer. A runway at the Denver airport was shut down and search and rescue crews scoured the area below the craft's 50-mile flight path for the child, who was later found hiding in the garage. Subsequent interviews revealed that the event had been planned. The couple was billed for search services and both parents were sentenced to jail time. **THE WORLD'S TALLEST BUILDING**, the Burj Khalifa in Dubai, U.A.E. was completed on October 1 and opened on January 5, 2010. Named after the leader of neighboring oil-rich Abu Dhabi, which contributed billions of dollars to keep Dubai afloat, the building housed a hotel, offices and luxury apartments. At 2,717 feet, the tower with a public observation deck on the 124th floor was the tallest man-made structure ever built. **"BEATLES DAY"** was celebrated worldwide on 09/09/09 when re-mastered versions of The Beatles' albums were released, on the same day the video game The Beatles: Rock Band was released. In the major music markets of North America, Japan and the UK, consumers purchased more than 2.25 million copies of re-mastered albums in the first five days of release. In addition, more than half a million Rock Band units sold during the game's first month of release. Incorporating many of the gameplay features of the Rock Band series, the game included 45 songs by the popular British rock group.

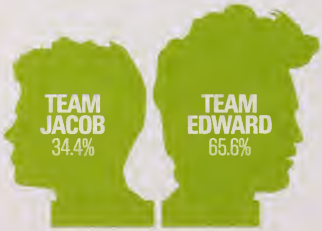
PREMIERED IN THEATERS NOVEMBER 20



30 Europe's Large Hadron Collider, which restarted November 20 after a 14-month repair, set a new world record for particle accelerations.

30 Royal Caribbean cruise ship MS Oasis of the Seas was officially unveiled at Fort Lauderdale, Florida. At 225,282 gross tons, it was the world's largest passenger vessel.

26 Ceremonies in India marked the first anniversary of a series of attacks in Mumbai by Pakistani militants which killed 174 people.

A YANKEES WORLD SERIES WIN gave the team its 27th championship with a 7-3 victory over the Phillies in Game 6. Hideki Matsui, the first Japanese-born player to be named a Series M.V.P., led the Yankees' offense with six runs batted in off a homer, a single and a double. The last Yankees' title was in 2000. **THE FIRST STATE DINNER** hosted by President and Mrs. Obama toasted a growing U.S. friendship with India with an evening of regal pageantry on the White House South Lawn on November 24. Visiting Indian Prime Minister Manmohan Singh and his wife Gursharan Kaur were honored guests alongside 300 others. A tradition dating back to 1874, state dinners were the most treasured and formal honor a U.S. president could offer a foreign dignitary, and the most coveted invitation in Washington. Unbeknownst to the Obamas and to the Secret Service, a Virginia couple, Tareq and Michaele Salahi, entered the dinner without an invitation, bypassing all security checkpoints. **SHOOTINGS AT FORT HOOD** killed 13 and injured 30 on November 5. Major Nidal Malik Hasan opened fire on fellow soldiers at the Fort Hood U.S. Army base in Texas; some reports suggested he was unhappy about an upcoming deployment. **NASCAR'S LONGEST STREAK** of consecutive series championships belonged to Jimmie Johnson, who surpassed Cale Yarbrough when he clinched his fourth title in a row, winning seven races in back-to-back seasons. **OPRAH'S PLANS** to retire when her current contract expires were announced nearly two years in advance of her final show. Media mogul/talk show host/philanthropist Oprah Winfrey said she will end her daily talk show in 2011. The show, which attracted more than seven million viewers a day, had been on the air since 1984. **SIGNS OF WATER ON THE MOON** were confirmed without question in November when a satellite intentionally crashed into a crater near the moon's South Pole. Using a two-part satellite, scientists said they created a collision, then measured the debris it created. The discovery was good news for explorers who wanted to set up labs on the lunar surface and to the scientists who hoped that the water, in the form of ancient ice, would reveal information about the history of the solar system.

HEALTHCARE

HEALTH CARE REFORM was a priority for President Obama and the Democratic leaders of Congress. In November, they came close to creating a comprehensive system of national health insurance when the House approved an overhaul of the system, 220 votes to 215. **MAX BAUCUS**, Senate Finance Committee chairman, had presented a plan that included many new insurance industry regulations but no government-run health care. The Democrat from Montana believed his bill could bring together Republicans and Democrats for an ambitious overhaul of health care. **TEA PARTY PROTESTS** sprung up from coast to coast, providing a platform for citizens wishing to speak their discontent. While groups of those who felt they could no longer sit still and quietly observe governmental changes that made them uncomfortable took on many traits, the newly empowered activists worked to be visible in many parts of the country. **SENATE VOTES** in November were followed by the Senate's approval of an $871 billion bill in December. While the two Congressional branches worked to reconcile their bills, it became apparent agreement was not imminent; the debate would continue for months.

HAITIAN EARTHQUAKE

DEATH AND DESTRUCTION were apparent immediately following the temblor which struck near Port-au-Prince, the capital city of Haiti. While fatality estimates topped 200,000, officials conceded that the burial of uncounted corpses would prohibit an exact tally. The quake, which was "felt strongly" in Cuba more than 200 miles away, damaged thousands of homes, including the president's residence. **BUSH/CLINTON HAITI RELIEF FUND,** designed to demonstrate American unity, raised more than $17 million in under two weeks. In the month following the quake, American charities sent more than $790 million in charitable aid.

GEORGE CLOONEY & FRIENDS hosted concerts in New York, Los Angeles and London to raise funds for earthquake victims. Called "Hope for Haiti Now: A Global Benefit for Earthquake Relief," the January 22 concerts included performances by Bruce Springsteen, Madonna, Mary J. Blige, Taylor Swift, Justin Timberlake, Coldplay and Bono. In addition, a remake of the 25-year-old anthem "We Are the World," featuring more than 70 big names representing all genres of music, was recorded to benefit Haitian aid groups.

JAMES CAMERON'S *AVATAR* broke all kinds of records en route to becoming the highest grossing film of all time. Development of the science fiction epic spanned 15 years, partially because Cameron had previously determined that the necessary technology was not yet available to portray his visions for the film. Released for both traditional two-dimension projection and 3-D, *Avatar* was also the first film ever to gross $2 billion, and it was nominated for nine Academy Awards, including Best Picture and Best Director. **TIGER WOODS** was named the Associated Press Athlete of the Decade in December. Despite a personal scandal that led to an indefinite break from professional golf, he collected nearly as many votes as runners-up Lance Armstrong and Roger Federer combined. Woods won 64 tournaments including 12 majors and earned more than $81 million during the decade. **A TERRORIST ATTACK** on a December 25 Northwest Airlines flight from Amsterdam to Detroit was thwarted after a student with suspected al-Qaida ties attempted to ignite explosives in flight. **FIFA WORLD CUP SOCCER** tickets went on sale globally, adding more than 1 million new seats to those nearly 700,000 tickets already sold for the June/July soccer matches in South Africa. **CONAN O'BRIEN** left NBC and *The Tonight Show* on January 22, just eight months after he took the reins from Jay Leno. Despite ongoing unsuccessful negotiations with the network, O'Brien planned a busy last week hosting Robin Williams, Barry Manilow, Tom Hanks and Will Ferrell, and he took to the stage playing 70s rock anthem "Free Bird" with the band during the closing credits of his final show. **THE U.S. HEALTH CARE REFORM BILL** passed by the Senate on December 24 was expected to extend insurance coverage to 30 million additional Americans. Following the January 27 State of the Union Address where Obama vowed not to "walk away from" his drive for health insurance reform, additional modifications were made to the White House's proposed health care plan in preparation for a February 25 televised bipartisan health care summit. The six-hour summit was covered on C-SPAN and was the day's news focus.

SNOW BLANKETED THE NATION, encompassing all 50 states on February 13 after a dusting on the Florida panhandle. Hawaii did not receive new snow, but had a base at the peaks of the state's highest volcanoes. Record snowfall affected many parts of the country this winter, from the Midwest where 50-year-old records for most days with 4" or more of snow cover were smashed by more than five weeks, to the mid-Atlantic states where record snowfalls from December to February broke 100-year-old seasonal snowfall records the first week in February. **BEYONCÉ WON SIX GRAMMYS**, including Song of the Year for "Single Ladies (Put a Ring on It)," and became the first woman to win six awards in the same night. Only Michael Jackson (1984) and Carlos Santana (2000) had won more awards in a single year. **APPLE'S iPAD RELEASED** on January 27 to mixed reviews. The new "digital tablet" brings Apple's sleek design and functionality to the masses for an affordable price. Weighing just 1.5 pounds, the iPad is lighter than a laptop, but users will be able to browse the web, access email, watch movies, read books and more. In addition, Apple created 12 innovative new apps for the iPad, which will also run almost all of the more than 140,000 apps available in the App Store. **BRITAIN'S UFO FILES**, made public to civilians in January, totalled more than 6,000 pages detailing sightings from 1994 - 2000. The fifth (and largest) release ever was intended to make access available to a wider audience. **MOBILE CARRIERS JOIN FORCES** to rival Apple's App Store. AT&T, China Mobile, China Unicom, Sprint and Verizon were among the first companies to unite, creating a centralized location for apps for a variety of mobile devices possible because of cross-platform development. The Wholesale Applications Community will represent more than three billion customers worldwide. **OLYMPIC SKIER BODE MILLER** won three more medals at the 2010 Winter Olympics (super combined gold, Super G silver and downhill bronze) bringing the four-time World Champion's record Olympic tally to five. **SUPER BOWL XLIV**, the most-watched Super Bowl and the most-viewed program in television history, saw the New Orleans Saints defeat Peyton Manning and the Indianapolis Colts, 31-17. The Saints, who became just the fourth team ever to win in their first Super Bowl appearance, won with a key defensive play on an interception by defensive back Tracy Porter, and a nearly perfect offensive game by QB Drew Brees.

PRE-OPENING TRAGEDY struck the games during a practice session on February 12 when 21-year-old Nodar Kumaritashvili, representing the Republic of Georgia in the luge, lost control of his sled and died. **VANCOUVER, BRITISH COLUMBIA** hosted the 2010 Winter Games, bringing the competition to Canada for just the second time since its inception in 1924. Nearly 2,650 athletes from 82 nations competed in 15 sports and 89 separate medal events. **SPEEDSKATER APOLO ANTON OHNO** added three new medals to his previous five Olympic medals from Salt Lake City and Turin. Ohno broke Bonnie Blair's record, becoming the most decorated American Winter Olympian ever. **TWO-TIME WORLD CUP CHAMPION LINDSEY VONN** became the first American female to win Olympic downhill gold. Vonn skied all five of her scheduled events with a bruised shin, medaling in two. **SNOWBOARDER SHAUN WHITE** defended his Olympic gold in the halfpipe with a first run so strong he secured his victory. In a celebratory second run, he debuted a Double McTwist 1260 (which he named The Tomahawk). The new trick contributed to a record score of 48.4, increasing his margin of victory by 1.6 points.

TILIKUM THE ORCA was not in the pool when SeaWorld Orlando's show, *Believe: The Sensational Shamu Show,* reopened just three days after the six-ton orca attacked and drowned veteran trainer Dawn Brancheau on February 24. The show featured trainers using hand signals to instruct the whales to leap, twirl and wave to or splash the audience. **AN OVERTIME VICTORY** in hockey gave Canada the Olympic gold the host nation craved on the last day of Winter Games. The 3-2 win over Team U.S.A. came 7:40 into the extra period when 22-year-old Sidney Crosby sent goalie Ryan Miller a surprise wrist shot. Miller was the series M.V.P. and Crosby, a native of Nova Scotia, became the youngest ever captain of a Stanley Cup-winning team in 2009, when his Pittsburgh Penguins beat the Detroit Red Wings four games to three. **CANADA'S JOANNIE ROCHETTE** captured viewers' hearts, competing in women's figure skating after her mother succumbed to a heart attack in Vancouver just days before. The 24-year-old from Quebec took bronze and became one of the most personal stories of the Vancouver Games. Korea's Yu-Na Kim became her country's first-ever Olympic figure skating medalist when she broke the 200-point mark and captured the gold medal. **AN ICEBERG COLLISION WITH ANTARCTICA** dislodged another massive block of ice from the continent in February. The original iceberg, known as B9B, measured 60 miles in length and had broken free from Antarctica more than 20 years ago. The new iceberg weighed in at roughly 700 billion tons and, at 48 x 24 miles, contained the equivalent of one fifth of the world's annual total water usage. The two icebergs drifted together off the east coast of Antarctica. **U.S. BOBSLED GOLD** ended a 62-year Olympic drought for America when two-time World Champion Night Train pilot Steve Holcomb with crew Justin Olsen and Steve Mesler and brakeman Curtis Tomasevicz dominated action in Whistler. The win meant Germany's Andre Lange, who took gold in the two-man race, failed in his attempt to capture five Olympic golds in as many attempts. **AN 8.8 EARTHQUAKE IN CHILE** on February 27 toppled buildings, left more than 300 dead and caused tsunami evacuations as far away as Hawaii and Japan. While the quake was significantly more powerful than the Haitian temblor that caused massive devastation in January, the damage was minimized by its relatively deep epicenter and strict Chilean building codes that followed massive damage caused by a huge quake in 1960.
